RE: Clearing Permit Application – Qena Project and CDO Solar Farm Expansion

Northern Star (Carosue Dam) Pty Ltd (Northern Star) is seeking approval for a clearing permit to support the implementation of the Qena Project and expansion of the CDO Solar Farm, located on mining tenements M31/210, M31/219, M31/220, M31/295, M28/166 and M28/167. All applicable mining tenure is wholly owned by Northern Star.

This application represents an alteration of a previously submitted clearing permit amendment, which included the proposed application area as an amendment to the immediately adjacent clearing permit 8000/2.

This clearing permit application area, and maximum proposed clearing footprint, has not increased since this previous clearing permit amendment submission.

Clearing within the amendment area is planned to commence on **1 July 2024** to facilitate development of the Qena Project.
