

Photo 1: Eastern side of Carters Road (looking east). Clearing only required for powerline. A mature *Agonis flexuosa* tree and juvenile (DBH<50cm) *Corymbia calophylla* will be cleared (115.08798251, -33.78738203).

Photo 2: Western side of Carters Road (looking west). Clearing only required for powerline. Two mature *Agonis flexuosa* trees will be cleared (115.08778896, -33.78733427).

Photo 3: Northern side of Metricup Road (looking north). Clearing required for power pole (a 'structure' and therefore subject to exemption). Two mature *Agonis flexuosa* trees will be cleared (115.08065843, -33.78178329).

Figure 1. Location of Photo 1 and Photo 2 on Carters Road.

Figure 2. Location of Photo 3 on Metricup Road.
