DEMIRS

100 Plain St, EAST PERTH WA 6004

Dear DMIRS Environmental Team,

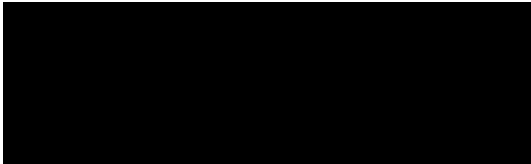

I am applying for a purpose clearing permit for our Dongara Limesand Operations. The 25.8ha clearing envelope is shown by the red boundary below. Mining tenement M70/309 is shown by the green boundary below.

We intend to continue mining to the north, east and south of the current operations which are in the middle of the clearing permit area.

Please contact me if you need any further information.

Yours sincerely,

Westdeen Holdings Pty Ltd
