Reasons for which this vegetation conservation notice is served:

This vegetation conservation notice is given because I suspect on the following grounds that unlawful clearing has taken place and is likely to take place on the land:

- a) Unlawful clearing was observed on the land commencing in 2003, contrary to regulation 4 of the Soil and Land Conservation Regulations 1992 and to the implementation agreement or decision under section 45 of the *Environmental Protection Act 1986* dated 9 July 2002.
- b) Further unlawful clearing not in accordance with section 51C of the *Environmental Protection Act 1986* was observed on the land in 2007.
- c) Further unlawful clearing would be necessary to implement the proposal described in the Environmental Protection Authority's Bulletin 1029, which was subject to the implementation agreement or decision dated 9 July 2002.

Requirements of this vegetation conservation notice:

The persons to whom this vegetation conservation notice is given and each owner and occupier of the land who is bound by this vegetation conservation notice is required to ensure that no unlawful clearing, or no further unlawful clearing, takes place on the land.
