	O6/06/2008 at 15:23:56 RE: CPS 2440 Clearing Application O3 access letter.pdf ting back to you earlier. ed is 72.7 ha, so can you please arrange for the divertised. ril 2008 4:26 PM Clearing Application titlon for a clearing permit. It with your shape file (provided as part of your in the clearing area to be 72.7 hectares. es the area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area to be 50 hectares and it has been area.
To: James Majory	EMPLEMONS
Dear	
I refer to your appl	ication for a clearing permit.
The area as depic application) is sho	ed with your shape file (provided as part of your wing the clearing area to be 72.7 hectares.
Please provide revadvise if you wish case, it will need to	rised shape files if you wish to amend the area, or to amend your application. If the latter is the o be readvertised.

Regards
