14 Resolution Drive
ASCOT WA 6104

Land to which this vegetation conservation notice relates ("the land"):

Reasons for which this vegetation conservation notice is given:

This vegetation conservation notice is given because I suspect on the following grounds that unlawful clearing has taken place, and is likely to take place, on the land:

- (a) A site inspection carried out by inspectors on 4 April 2008 observed that part of the land had been cleared between 28 June 2007 and 4 April 2008.
- (b) The clearing does not appear to be of kind set out in Schedule 6 or of a kind prescribed for the purposes of section 51C(c) of the *Environmental Protection Act 1986*.
- (c) Further clearing would be necessary to clear the area described in clearing permit application CPS 1894/1.

Requirements of this vegetation conservation notice:

The persons to whom this vegetation conservation notice is given and each subsequent owner and occupier of the land who is bound by this vegetation conservation notice is required to ensure that no unlawful clearing, or no further unlawful clearing, takes place on the land.
