Application for an amendment to a clearing permit

Environmental Protection Act 1986, section 51M

FORM C4

Clearing of native vegetation is prohibited in Western Australia except where a clearing permit has been granted or an exemption applies. A person who causes or allows unauthorised clearing commits an offence.

For further information on the stages of assessment for clearing permit applications (including amendments to existing permits), refer to the [Procedure: Native vegetation clearing permits](#) on DWER's website.

Part 1: Assessment bilateral agreement

If the amendment of a clearing permit will or is likely to impact on a matter of national environmental significance identified under the *Environment Protection and Biodiversity Conservation Act 1999* (Cth) (EPBC Act) the original application must have been assessed in accordance with the bilateral assessment, and a variation under the EPBC Act is required prior to submitting this amendment application form.

To be assessed in this manner, the proposed clearing action must be referred to the Commonwealth under the EPBC Act and deemed a ['controlled action'](#) prior to submitting this application form.

Further information is located in *Form Annex C7* and *A guide to native vegetation clearing processes under the Assessment bilateral agreement* available at www.der.wa.gov.au/our-work/clearing-permits.

Do you want your proposed clearing action assessed in accordance with, or under, an EPBC Act Accredited Process such as the assessment bilateral agreement?
