- (b) Page 17 of the *Annual Rehabilitation Report M70/233 and M70/836 The Lakes Action Sands* prepared by Landform Research dated 22 June 2007 states that a further 1.0ha of clearing is planned.
- (c) No clearing permit under the *Environmental Protection Act 1986* has been granted for the land.

The persons to whom this vegetation conservation notice is given and each owner and occupier of the land who is bound by this vegetation conservation notice is required to ensure that no unlawful clearing, or no further unlawful clearing, takes place on the land.
