Dear Mr Collier

**Permit to Clear Native Vegetation under the *Environmental Protection Act 1986*  
Pilbara Manganese Pty Ltd – Windy Hill and Lox Projects (CPS 3064/2)  
(Amendment to CPS 3064/1)**

Please find enclosed your amended permit to clear native vegetation granted under s.51M of the *Environmental Protection Act 1986*. This authorisation gives you approval to clear, subject to certain terms, conditions or restrictions. A copy of your permit is now available for the public to view, as required by the regulations.

Read your permit carefully. If you do not understand your permit, contact this Department immediately. There are penalties for failing to comply with the requirements of your permit.

**Please note the change from the original permit (CPS 3064/1), namely the change to the permit expiry date.**

Compliance with the terms, conditions or restrictions of this permit does not absolve the Permit Holder from responsibility for compliance with the requirements of all Commonwealth and State legislation.

If you have any queries regarding this decision, please do not hesitate to contact Ryan Hepworth in the Department's Environment Division on (08) 9222 3205 or email [ryan.hepworth@dmp.wa.gov.au](mailto:ryan.hepworth@dmp.wa.gov.au).

Yours sincerely
