## Application for an amendment to a clearing permit

Environmental Protection Act 1986, section 51M

## FORM C4

Part 1: Assessment bilateral agreement

Clearing of native vegetation is prohibited in Western Australia except where a clearing permit has been granted or an exemption applies. A person who causes or allows unauthorised clearing commits an offence.

For further information on the stages of assessment for clearing permit applications (including amendments to existing permits), refer to the <u>Procedure: Native vegetation clearing permits</u> on DWER's website.
