Part 1 Clearing permit details

FILE REFERENCE	Permit number	Permit holder's name as it appears on the permit
	CPS 5110/1	Poseidon Nickel Limited

Part 2 Proposed changes

Additional information to support the assessment of your application to amend may be attached.

If you are applying on behalf of the Permit Holder, please attach your agent's authority expressly authorising you to act on behalf of the Permit Holder.

Please ensure you have included the following as part of your application:

- A completed application form that is signed and dated by the permit holder,
- A photocopy of the granted Clearing Permit, with proposed changes highlighted; and
- Payment

Please tick below the proposed change(s) to your Clearing Permit:

- extend the duration of the permit;
- vary a due date of complying with a permit condition;
- amend the size of the area permitted to be cleared, or remove a land parcel listed on the permit;
- correct a clerical error or make an administrative change; or
- other.

Details of proposed changes:

Poseidon seeks to increase the clearing required for their Windarra Nickel Project to 135 ha within 320 ha. This application for an increase in clearing and application areas is to allow for additional infrastructure that was anticipated to be constructed using the exemption under the Environmental Protection (Clearing of Native Vegetation) Regulations 2004, Schedule 1. Additional infrastructure also includes clearing of the proposed Cerberus haul road intersection with the Leonora-Laverton road, which occurs on the gazetted road reserve M022.

Also, amendments to a clerical error relating to the CP 5110/1 licence expiry date.

Part 3 Contact/Applicant details

Person with whom Department of Environment and Conservation or Department of Mines and Petroleum should liaise concerning the clearing application.

*If applying as a company or incorporated body, please also supply the registered business office address.
