# Application for an amendment to a clearing permit

Environmental Protection Act 1986 s 51M

21 FEB 2014

## FORM C4

Native Vegetation  
Conservation Branch

Clearing of native vegetation is prohibited in Western Australia except where a clearing permit has been granted or an exemption applies. A person who causes or allows unauthorised clearing commits an offence.

### Part 2 Proposed changes

Additional information to support the assessment of your application to amend may be attached.

If you are applying on behalf of the Permit Holder, please attach your agent's authority expressly authorising you to act on behalf of the Permit Holder.

Please ensure you have included the following as part of your application:

- A completed application form that is signed and dated by the permit holder,
- A photocopy of the granted Clearing Permit, with proposed changes highlighted; and
- Payment

Please tick below the proposed change(s) to your Clearing Permit:

- extend the duration of the permit;
- vary a due date of complying with a permit condition;
- amend the size of the area permitted to be cleared, or remove a land parcel listed on the permit;
- correct a clerical error or make an administrative change; or
- other.

Details of proposed changes:

The land on which the clearing is to be done (Clause 2) requires amendment. There is a total of 2.37 ha of native vegetation occurring within this amendment. Total area of clearing for the permit does not need to be changed. The amendment is specifically for the construction of an open drain, from South of the North West Coastal Highway to the Gascoyne River. A number of landholdings occur within the amendment area including freehold and reserve land held by the Shire of Carnarvon and freehold land held by the Department of Water.
