

Application for an amendment to a clearing permit

Environmental Protection Act 1986 s 51M

FORM C4

Clearing of native vegetation is prohibited in Western Australia except where a clearing permit has been granted or an exemption applies. A person who causes or allows unauthorised clearing commits an offence.

Part 3 Declaration and signature

For your application to be accepted, it must be signed either on behalf of the company or as an individual.

By signing this form you are declaring that the statements on this form are true and correct.

The department in accepting this form accepts you are a person duly authorised to sign for and on behalf of the body corporate in applying for and in holding a permit.

Knowingly providing false or misleading information is an offence under section 112 of the Environmental Protection Act 1986 and may incur a penalty of up to \$50,000.

Please indicate if you are signing as an individual or a company:

An individual. If an individual landowner is applying, all landowners must sign this form.

A company. A person duly authorised to sign for and on behalf of the body corporate must sign this form. A company must be a legal entity and provide an Australian Company Number (ACN). Please note Australian Business Number (ABN) is not sufficient.

Part 4 Proposed changes

Additional information to support the assessment of your application to amend may be attached.

Please ensure you have included the following as part of your application:

- a photocopy of the granted clearing permit, with proposed changes highlighted

and

- payment.

If you are applying on behalf of the permit holder, please attach your agent's authority duly authorising you to act on behalf of the permit holder.

Please tick below the proposed change(s) to your clearing permit:

- extend the duration of the permit
- vary a permit condition, such as a due date
- amend the size of the area permitted to be cleared, or remove a land parcel listed on the permit

or

- other

Provide details of proposed changes:

- (1) Alter permit condition 1C so the permit holder can clear native vegetation after 16 November 2015 (propose extension to November 2020).
- (2) Increase the size of the size of the permit from 7.7ha to 19.9ha total (by extending the clearing footprint by adding a 12 ha area to the south of the existing area, see attached shapefile – CPS5259 additional area).

This is a important gravel resource and to date the Shire of Esperance has only cleared 1.5ha of the original 7.7ha application area.

Land details

Provide additional property details if required – if applying to extend the size of the area to be cleared into another land parcel.

Land description to include: volume and folio number, lot or location number(s), Crown lease or reserve number, pastoral lease number or mining tenement number of all properties.

All still on Nerridup Location 262 – Reserve 32804, Howick

Part 5 Prescribed fees

Make cheques or money orders payable to:

Department of Environment Regulation
 (for all clearing permits granted by this agency or the former Department of Environment and Conservation)

or

Department of Mines and Petroleum (for all clearing permits granted by this agency).

To make payment with a credit card, please complete Form C3 and attach to this form.

Do not send cash in the mail.

Is being paid:

the area
