Part 4 Proposed changes

Additional information to support the assessment of your application to amend may be attached.

Please ensure you have included the following as part of your application:

- a photocopy of the granted clearing permit, with proposed changes highlighted
- and
- payment.

If you are applying on behalf of the permit holder, please attach your agent's authority duly authorising you to act on behalf of the permit holder.

Please tick below the proposed change(s) to your clearing permit:

- extend the duration of the permit
- vary a permit condition, such as a due date
- amend the size of the area permitted to be cleared, or remove a land parcel listed on the permit
- or
- other.

Provide details of proposed changes:

The Shire of Esperance wishes to remove condition 9 on the permit (relating to rehabilitation) and replace this with an off-site Environmental Offset Condition.

The proposed offset site is to be Crown Reserve 26257 which has had its purpose changed from "agriculture general" to "conservation".

Land details

Provide additional property details if required – if applying to extend the size of the area to be cleared into another land parcel.

Land description to include: volume and folio number, lot or location number(s), Crown lease or reserve number, pastoral lease number or mining tenement number of all properties.
