

**Part 4 Proposed changes**

Additional information to support the assessment of your application to amend may be attached.

Please ensure you have included the following as part of your application:

- a photocopy of the granted clearing permit, with proposed changes highlighted

and

- payment.

If you are applying on behalf of the permit holder, please attach your agent's authority duly authorising you to act on behalf of the permit holder.

Please tick below the proposed change(s) to your clearing permit:

- extend the duration of the permit
- vary a permit condition, such as a due date
- amend the size of the area permitted to be cleared, or remove a land parcel listed on the permit

or

- other.

Provide details of proposed changes:

The Shire requests to modify the area 5526/1d. The incorrect co-ordinates were accidentally supplied. The new area shown in the attached map is a larger area that previously requested at this site.

The Shire advises that they will no longer be requiring the smaller pits 5526/1a,b,c,e or f in the permit.

**Land details**

Provide additional property details if required – if applying to extend the size of the area to be cleared into another land parcel.

Land description to include: volume and folio number, lot or location number(s), Crown lease or reserve number, pastoral lease number or mining tenement number of all properties.

Reserve 31801 – Vested in Shire of Esperance for purpose of gravel
