Part 2 Proposed changes

Additional information to support the assessment of your application to amend may be attached.

If you are applying on behalf of the Permit Holder, please attach your agent's authority expressly authorising you to act on behalf of the Permit Holder.

Please ensure you have included the following as part of your application:

- A completed application form that is signed and dated by the permit holder,
- A photocopy of the granted Clearing Permit, with proposed changes highlighted; and
- Payment

Please tick below the proposed change(s) to your Clearing Permit:

- extend the duration of the permit;
- vary a due date of complying with a permit condition;
- amend the size of the area permitted to be cleared, or remove a land parcel listed on the permit;
- correct a clerical error or make an administrative change; or
- other.

Details of proposed changes:

See attached report for full details.

Holcim seeks amendment of the clearing permit to increase the size of the clearing area and the timeframe of the clearing activity so that the clearing operations can occur only when being followed by extraction operations. Holcim seeks that this clearing permit be amended to allow disturbance within the Holcim's existing approval areas.
