Alinta requests the allowance of additional vegetation clearing to enable construction of a stock fence in partnership with the owners of the Roy Hill Pastoral Lease. This fence will require the clearing of a 12 m wide corridor for a 50 km stretch through the pastoral lease. This width allows for access and maintenance from both sides of the fence and prevents fire damage to the fence.

The current approved clearing budget is 161 ha. Alinta request and **increase of 60 ha** for a **total of 221 ha**.

There are no proposed changes to the boundary defining the Permitted area.
