Department of Environment Regulation – Department of Mines and Petroleum

CPS No.

6307/1

**Application for a clearing permit (purpose permit)**

Environmental Protection Act 1986 s 51E

**FORM C2**

2013/001370

Clearing of native vegetation is prohibited in Western Australia except where a clearing permit has been granted or an exemption applies. A person who causes or allows unauthorised clearing commits an offence.

Date stamp

**Part 1 Land details**

The location of the land where clearing is proposed must be accurately described.

Land description: volume and folio number, lot or location number(s), Crown lease or reserve number, pastoral lease number or mining tenement number of all properties.

FILE REFERENCE

The area of land on which clearing is proposed (the 'NVCP Application Area') runs from the North West Coastal Highway, 20 km east from the Karratha-Dampier Road (chainage 22) in the north, to an area approximately 30 km south of Cape Preston, 70 km south west of Karratha (chainage 70) ('Section D' of the proposed transport corridor).

Local government area

Shire of Roebourne

**Part 2 Proposal**

An aerial photograph or map with a north arrow must be attached, clearly marking the area proposed to be cleared

or  
if you have the facilities, a digital map on CDROM of the area to clear as an ESRI shapefile with the following properties:

- Geometry type: Polygon shape
- Coordinate system: GDA 1994 (Geographic latitude/longitude)
- Datum: GDA 1994 (Geocentric Datum of Australia 1994).

Total area of clearing proposed (hectares)

Up to 50 hectares

Proposed method of clearing or final land use

Use of bulldozer to clear required access tracks and drill pads (refer to NVCP Application)

Period within which clearing is proposed to be undertaken, e.g. May 2013 – June 2018

November 2014 to November 2016

Purpose of clearing

Undertake feasibility investigations for the West Pilbara Iron Ore Project, specifically geotechnical studies and groundwater investigations to inform the development of a transport corridor approved under Ministerial Approval Statement 881.

Has this clearing application or any related matter been referred to the Environmental Protection Authority (EPA)  Yes  No

**Part 3 Applicant**

To apply for a permit you must either be:

- the landowner
- or
- have the authority of the landowner to access the land and undertake the clearing.

Are you applying as an individual, a company or an incorporated body? Enter details for one only (please print).

API Management Pty Ltd ACN: 112 677 595

**Ownership of land**

A landowner can be:

- a person who holds the certificate of title
- a person who is the lessee of Crown land
- or
- a public authority that is responsible for care of the land.

Form of ownership:

- Certificate of title (please attach a copy of the certificate and all associated encumbrances with the application, available from the Western Australian Land Information Authority – Landgate)
- Pastoral lease (please attach a copy of the lease and all associated encumbrances with the application)
- Mining lease
- Public authority that has care, control or management of the land
- Other form of lease, land tenure or specific arrangement. Please state:

Access to the land the subject of this permit application will be granted to API under the provisions of the Land Administration Act 1997. API is liaising with the Department of Lands and the Department of State Development to obtain the appropriate authorisation for the intended investigatory works.
