Dear Dr. Rado

Re: Application to Clear Native Vegetation under the *Environmental Protection Act 1986*

Thank you for your application to clear native vegetation. After giving careful consideration to the information provided to me, I undertake to grant you a Clearing Permit, subject to you becoming the owner of the land before the 1 January 2006.

If you supply evidence of this to me by the date specified, I undertake to grant a Clearing Permit, authorising you to clear native vegetation subject to the conditions placed on draft Clearing Permit 626/1 within the area cross hatched yellow on Plan 646/1.

If you are aggrieved by a decision of the DoE, an appeal may be lodged with the Minister for the Environment; Science. If you choose to appeal, it must be in writing, clearly set out the grounds of your appeal, and be received by the Minister within 28 days. More information on lodging an appeal is available from the Office of the Appeals Convenor on telephone 9221 8711. Completed appeals should be posted or delivered to:

Office of the Appeals Convenor
13th Floor, Allendale Square
77 St Georges Terrace, PERTH WA 6000
Tel: 9221 8711 Fax: 9221 8244
Email: appeals@dpc.wa.gov.au Web: <http://www.appeals.dpc.wa.gov.au>

Third parties may also appeal my decision to grant this undertaking.

Please note that this undertaking does not authorise you to clear. Upon you providing evidence that 'you' have become the owner of the land, the process for actually granting the permit will commence.

If you have any queries regarding this decision, please do not hesitate to contact the Department's Mid West Gascoyne Region on 9964 5978 .

Yours sincerely

D Carew-Hopkins
