Part 5 Proposed changes

Additional information to support the assessment of your application to amend may be attached.

Please ensure you have included the following as part of your application:

- a photocopy of the granted clearing permit, with proposed changes highlighted,

- payment.

If you are applying on behalf of the permit holder, please attach your agent's authority duly authorising you to act on behalf of the permit holder.

Please tick below the proposed change(s) to your clearing permit:

- extend the duration of the permit
- vary a permit condition, such as a due date
- amend the size of the area permitted to be cleared, or remove a land parcel listed on the permit
- or
- other.

Provide details of proposed changes:

The Shire of Kellerberrin have avoided clearing wherever possible, and so we have cleared much less vegetation than originally anticipated. As such, we would like to maintain the approved area of clearing of 2.2 hectares but extend the length of roadside that it covers. The recently amended permit covered Baandee North Road through to Garbin Road at the northern end. This amendment proposes to extend the permitted clearing area along Baandee North Road from Garbin Road up to just past Fisher Road. (See attached shapefile.)
