There are minor changes to areas of proposed mountain bike trails within Meelup Regional Park. Please refer to the attached map and zip files with the new trail audit data. The aerial map attached shows the trails in BLUE from clearing permit CPS 6808/1 and the new proposed trails in RED.

In addition, the City of Busselton requests to amend part of Management Condition 7 from the Clearing Permit CPS 6808/1- specifically condition 7 (b) which states "ensure that no dieback or weed-affected soil, mulch, fill or other material is brought into the area to be cleared". Dieback mapping has been undertaken in Meelup Regional Park. The area of Zone 6 which covers the entire area of the proposed clearing and mountain bike trails has been mapping as dieback infected. Refer to the Dieback report-attached. The City may need to bring in some soil for the construction of the mountain bike trails and may not be able to source dieback free soil. Note: No soil from the site will be removed.
