## Part 5 Proposed changes

Additional information to support the assessment of your application to amend may be attached.

Please ensure you have included the following as part of your application:

- a photocopy of the granted clearing permit, with proposed changes highlighted,

and

- payment.

If you are applying on behalf of the permit holder, please attach your agent's authority duly authorising you to act on behalf of the permit holder.

Please tick below the proposed change(s) to your clearing permit:

- extend the duration of the permit
- vary a permit condition, such as a due date
- amend the size of the area permitted to be cleared, or remove a land parcel listed on the permit
- or
- other.

Provide details of proposed changes:

The clearing area will include newly granted tenement L24/224 for the purpose of constructing a haul road, temporary workshop, go-line and installing an abandonment bur in a location compliant with the DMP's 1996 Safety Bund Walls Around Abandoned Open Pit Mines.

Amend the clearing permit boundary to include an increase to 2.7 hectares of clearing outside the approved clearing boundary and clear an additional 10.2 hectares within the approved permit boundary of CPS6968/1. I have also include 0.5 hectare to accommodate prevailing ground conditions and earthmoving requirements.

The previous approved clearing area was 52.6 hectares. An additional amount of clearing is needed, to bring the total amount of clearing required to 66 hectares within an envelope of 149.16 Ha (crossed hatched on provided plan) within this total clearing.

**Land Details**

Provide additional property details if required – if applying to extend the size of the area to be cleared into another land parcel.

Land description to include: volume and folio number, lot or location number(s), Crown lease or reserve number, pastoral lease number or mining tenement number of all properties.

Include newly granted tenement L24/244
