CPS No. 72241

RECORDED

Part 1 Assessment under the EPBC bilateral agreement

The native vegetation clearing processes under Part V of the Environmental Protection Act 1986 (EP Act) have been accredited by the Commonwealth of Australia under the Environment Protection and Biodiversity Conservation Act 1999 (EPBC Act) and can be assessed under an assessment bilateral agreement.

To be assessed under the assessment bilateral agreement, the proposed clearing action must be referred to the Commonwealth under the EPBC Act prior to submitting this application form and Annex C7 must also be completed.

For further information see Annex C7 and A guide to native vegetation clearing processes under the assessment bilateral agreement available at www.der.wa.gov.au.

Do you want your proposed clearing action assessed in accordance with, or under, an EPBC Act Accredited Process such as the assessment bilateral agreement?

Yes No Proceed to Part 2

Has the proposed clearing action been referred to the Commonwealth of Australia under the EPBC Act?

Yes EPBC Number

No It cannot be assessed under an Accredited Process until it has been referred to the Commonwealth. Proceed to Part 2.

Has a decision been made under the EPBC Act as to whether or not the proposed clearing action is a controlled action?

Yes No Proceed to Part 2

Is the proposed clearing action a controlled action under the EPBC Act?

No It cannot be assessed under an Accredited Process, proceed to Part 2

Yes Complete and attach the requirements of Annex C7 to this completed form

List the controlling provisions identified in the notification of the controlled action decision.

Annex C7 is complete and the required supporting information is attached

Part 2 Land details

The location of the land where clearing is proposed must be accurately described.

Land description: volume and folio number, lot or location number(s), Crown lease or reserve number, pastoral lease number or mining tenement number of all properties.

Road verge vegetation clearing along Meechi Road,
Please Refer to attached Map for detailed information

FILE REFERENCE

Local government area

Shire of Jerramungup

Part 3 Proposal

An aerial photograph or map with a north arrow must be attached, clearly marking the area proposed to be cleared or if you have the facilities, a digital map on CDROM of the area to clear as an ESRI shapefile with the following properties:

- Geometry type: polygon shape
- Coordinate system: GDA 1994 (Geographic latitude/longitude)
- Datum: GDA 1994 (Geocentric Datum of Australia 1994).

Total area of clearing proposed (hectares)

Approximately .8 of a hectare

Proposed method of clearing or final land use

All clearing operations will be carried out with the use of an Excavator/ Grab Bucket and Chainsaw

Period within which clearing is proposed to be undertaken, e.g. May 2013 - June 2018

September 2017 - February 2018

Purpose of clearing

To realign a dangerous curve along the mid-section of Meechi Road. The proposed works project will increase the efficiency, safety and accessibility to all road users (Refer to attached plans).

The widening of the existing road formation will also assist in meeting with the current AusRoads/Main Roads Standards.

The proposed culvert installation and associated cut and fill across a small creek crossing (Devils Creek) will increase the safety, efficiency and accessibility for all road users that utilize the Meechi Road network system and allow RAV 7 access to this road.

A Bed and Banks application is being referred to the Department of Water.

Has this clearing application or any related matter been referred to the Environmental Protection Authority (EPA) Yes No

Part 4 Applicant

To apply for a permit you must either be:

- the landowner
or
- have the authority of the landowner to access the land and undertake the clearing.

Are you applying as an individual, a company or an incorporated body? Enter details for one only (please print).

Shire of Jerramungup

Ownership of land

A landowner can be:

- a person who holds the Certificate of Title
- a person who is the lessee of Crown land
or
- a public authority that is responsible for care of the land.

Form of ownership:

- Certificate of Title (please attach a copy of the certificate and all associated encumbrances with the application, available from the Western Australian Land Information Authority – Landgate)
- Pastoral lease (please attach a copy of the lease and all associated encumbrances with the application)
- Mining lease
- Public authority that has care, control or management of the land
- Other form of lease, land tenure or specific arrangement. Please state:

Shire of Jerramungup

Authority to access land

Please specify the applicant's authority to access land to be cleared. For example, a letter from Department of Planning, a statutory power or letter of authority from the landowner.

Note: the letter of authority must explicitly state the applicant has authority to clear on the said land.

State nature of authority to access land (please attach copy of authority)

Statutory power under the Land Administration Act
