

Ludlow Road North Capel

Clearing Permit Application 8117/1 additional photos requested by
Nandini Rastogi (DWER)

CPA 8117/1

(Tree one) Picture of first tree, the tree seems to be joined at the bottom suggesting it is one tree divided into two at the base but this is open to interpretation (see explanation in the attached email) No signs of Possum Scat at tree base

(Tree one) Picture looking from base into canopy

CPA8117/1

(Tree one) Picture of base of the tree .

(Tree one) Picture looking into canopy. No sign of habitat holes or Possum Scat at tree base.

CPA 8117/1

(Tree 1) Zoomed view into upper reaches of the tree

(Tree 1) View of entire tree

CPA 8117/1

(Tree 2) View into canopy

(Tree 2) View of entire tree

CPA 8117/1

(Tree 2) Zoomed view showing possible habitat . No Possum Scat noted at tree base. Position of possible habitat is too high to get a better view.

(Tree 2) View into canopy
