

- My INTENSIONS AT Beekeepers (Lots M353-
2a-2b. -1225) IS NOT TO clear THE
NATIVE VEGITATION BUT TO CONTROL THE
BLACK WATTLE AND SOUTH AFRICAN BOX
THORN WITCH IS TAKING OVER IN THE
AREAS INDICATED. I INTEND TO REMOVE THEM
WITH A WHEEL LOADER SO I HAVE MINIMUM
IMPACT ON THE NATIVE VEGITATION AND THE
FRAGILE SOIL'S.

My INTENSIONS IN THE FUTURE IS TO RUN
CATTLE ON THE SAID PROPERTY AS IT HAS
BEEN IN THE PAST AND IS WELL SUITED TO
THIS ENTERPRIZE.

FIRE CHEST FOR THE LOCAL FIRE
BRIGADE HAS REQUESTED A MINIMUM 30m FIRE
BREAK AND CONTAINMENT LINES AT SET
INTERVALS, AFTER A RESENT FIRE STARTED SOUTH
OF THE FARM AND GOT OUT OF CONTROL

ONCE IT JUMPED THE BOUNDARY FENCE,
AND GOT INTO THE BLACK WATTLE.

WHEN I MADE THE BLACK WATTLE AND
SOUTH AFRICAN BOX THORN UNDER CONTROL
I INTEND TO FENCE OFF ANY SENSITIVE AREAS
OF NATIVE VEGETATION.
