Shared path next to the western boundary - isolated from passive surveillance and away from existing street lights.</li> </ol> <p>Shared path at eastern verge and western boundary would require clearing of vegetation as well.</p> <p>The scale of clearing at the site has been scaled back to reduce the impact on existing native vegetation.</p> <p>The proposed shared path alignment on the western verge is suitably located to connect the majority of the commercial centre, TAFE College and Murdoch University to the train station.</p>
