

Southern Site – Detail A -

CLEARING PERMIT AND CLEARING REQUIRED DETAIL A
1:500

Photos (S348245):

Comments for S348245: Peg is offset by 1.5m. One tree (shown above) to be removed. Pruning to be done to provide access and allow easier removal of power pole guy-cable.

Northern Site – Detail B -

CLEARING PERMIT AND CLEARING REQUIRED DETAIL B
1:500

Photos (S348185):

Comments for S348185: Pruning of branches required behind peg location (pruning up to about 2m behind peg, full height). No pruning required for branches around stay-pole and guy-cable unless advised.
