Referral determination

The Department of Water and Environmental Regulation has considered the above referral and determined under section 51DA(3) of the *Environmental Protection Act 1986* (the EP Act) that a clearing permit **is not required** for the proposed clearing of native vegetation within the area cross-hatched in green on the attached map detailed in Schedule 1 (the referral area).

The reason for this determination is that the proposed clearing satisfies all of the criteria specified in section 51DA(4) of the EP Act.

Please note that this determination is valid only until the expiration date specified above.
