18th December 2025

To whom it may concern,

I am writing on behalf of the Gumala Enterprises Trust, which owns and operates the Karijini Eco Retreat, in the Karijini National Park.

The Gumala Trust represents three language groups, from the Pilbara, Western Australia; Banjima, Nyiyaparli, and Yinhawangka people. The Karijini Eco Retreat is on Banjima Country.

Juliette Pearce-Tucker, a Banjima Elder, visited the site, to assess and advice on any cultural sensitivities in December 2025.

Juliette advised the following;

Culturally Appropriate Care today has been completed within the perimeters of Karijini Eco Retreat Only.

Having visited the site, there was no significant artefacts, or cultural sites to prevent any further development.

If you have any questions, please contact me at jess.karlsson@gumalatrust.com

Yours Sincerely,

Jess Karlsson
Chief Executive Officer
