Re: Cultural Heritage Review – Bridge Replacement at 43 Kirkham Rd, Meelon

I, Clarry Walley, a Noongar Elder & Mary Nesbirt-Walley Cultural Representative, attended the above site on Friday 6th March 2026 at the request of FPG WA / Fruitico Farms to review the proposed bridge replacement works.

The inspection included the bridge footprint, associated access areas, and the adjacent watercourse.

Following the site inspection:

No Aboriginal cultural heritage sites or objects were identified within the proposed works area.

The works may proceed as proposed.

OR

The following conditions apply:

Mary to be onsite when digging of the clay on the waterway banks.

This advice is provided in good faith based on observations made during the site visit.

Signed,

 C. Walley
