

CLEARING REFERRAL DETERMINATION NOTICE

Referral details

REF number:	REF 9632/1
Referral submitted by:	Eastern Goldfields Clay Target Club Inc.
Purpose of proposed clearing:	Construction of the Olympic Trench and Skeet ISSF layout and safety area
Location of proposed clearing:	Lot 268 on Deposited Plan 191790, Yilkari

Referral determination:

The Department of Water and Environmental Regulation has considered this referral and determined under section 51DA(3) of the *Environmental Protection Act 1986* (the EP Act) that:

- a clearing permit is required for the proposed clearing of the area on the attached map detailed in Schedule 1.

The reason for this determination is that the proposed clearing does not satisfy all of the criteria specified in s.51DA(4) of the EP Act. Specifically:

- there are issues that would arise as a result of the proposed clearing that are likely to require conditions to manage or mitigate effects on the environment.

Mathew Gannaway
MANAGER
NATIVE VEGETATION REGULATION

an officer delegated under section 20 of
the *Environmental Protection Act 1986*
