

CLEARING REFERRAL DETERMINATION NOTICE

Referral details

REF number:	REF 9684/1
Referral submitted by:	City of Busselton
Purpose of proposed clearing:	Road upgrades
Proposed clearing size:	7 native trees
Location of proposed clearing:	Metricup Road Reserve (PIN 11476584) and Puzey Road Reserve (PIN 11476581), Wilyabrup

Referral determination:

The Department of Water and Environmental Regulation has considered this referral and determined under section 51DA(3) of the *Environmental Protection Act 1986* (the EP Act) that:

- a clearing permit is required for the proposed clearing of the areas cross-hatched orange on the attached map detailed in Schedule 1.

The reason for this determination is that the proposed clearing does not satisfy all of the criteria specified in s.51DA(4) of the EP Act. Specifically:

- there are known or likely significant environmental values identified within the area
- there are issues that would arise as a result of the proposed clearing that are likely to require conditions to manage or mitigate effects on the environment
