

CLEARING REFERRAL DETERMINATION NOTICE

Referral details

REF number:	REF 9717/1
Referral submitted by:	Phosphate Resources Limited
Purpose of proposed clearing:	Access track and haulage road
Location of proposed clearing:	Mining lease MCI 70/1A, (unallocated Crown land, PIN 1097175), Christmas Island
Area of proposed clearing	0.25 hectares of native vegetation
Expiration date	13 May 2024

Referral determination

The Department of Water and Environmental Regulation has considered this referral and determined under section 51DA(3) of the *Environmental Protection Act 1986* (the EP Act) that:

a clearing permit is not required for the proposed clearing of the area(s) cross-hatched green on the attached map detailed in Schedule 1.

The reason for this determination is that the proposed clearing satisfies all of the criteria specified in section 51DA(4) of the EP Act.

Please note that this determination is valid only until the expiration date specified above. After this date, you will need to submit a new clearing referral or apply for a clearing permit before undertaking further clearing of native vegetation.
