

CLEARING REFERRAL DETERMINATION NOTICE

Referral details

REF number:	REF 9880/1
Referral submitted by:	Mr Roger Seares
Purpose of proposed clearing:	Clearing for regeneration of trees
Proposed clearing size:	5.35 hectares
Location of proposed clearing:	Lot 12285 on Deposited Plan 203084, Crowea

Referral determination:

The Department of Water and Environmental Regulation has considered this referral and determined under section 51DA(3) of the *Environmental Protection Act 1986* (the EP Act) that:

- a clearing permit is required for the proposed clearing of the area cross-hatched orange on the attached map detailed in Schedule 1.

The reason for this determination is that the proposed clearing does not satisfy all of the criteria specified in s.51DA(4) of the EP Act. Specifically:

- the area proposed to be cleared (the area) is **not** small relative to the total remaining vegetation
- there are known or likely significant environmental values identified within the area
